## 2012 APPLICATION FOR INDIVIDUAL MEMBERSHIP (Cont)

### Part C - Data Protection Statement

The Institution of Civil Engineers and Thomas Telford Ltd maintain BGA membership details, including addresses, email addresses, professional history and interest where notified which will be used confidentially for normal purposes, including subscription collection, mailing of publications and notification of conferences and events. Overseas members may have their data transferred to International Country representatives for administration of local events in their country of residence. We also use the information to target journals, training and other services we provide. If you do not wish to receive information of this type, please inform the Data Protection Officer, in writing or by email at the address given below. We generate significant income on your behalf from carefully screened third parties who can offer you services but only arrange this where we believe most of our members and customers will welcome the opportunity. This helps to pay for enhanced services. If you do not wish to receive such information, please tick the relevant boxes:

(i) I do not wish to receive information from ICE/TTL  (ii) I do not wish to receive 3<sup>rd</sup> party information (including mailings on behalf of the BGA)

If you have any queries regarding data protection, please contact The Data Protection Officer at the Institution of Civil Engineers, One Great George Street, Westminster, London. SW1P 3AA or email [dataprotection@ice.org.uk](mailto:dataprotection@ice.org.uk)
