FLEMING AWARD 2011

Wednesday 7th December at 6.00pm

Draft Itinerary:

5.30pm Tea/coffee in the Brasserie downstairs. Name badges for Judges and Finalists will be available here.

All Finalists check their presentations are working beforehand in the Telford Theatre.

6pm Prompt start in the Telford Theatre upstairs. First an introduction by BGA Chairman followed by three presentations lasting approximately 20 minutes (with 5 minutes for questions) in the following order:

Tottenham Court Road	Bauer Technologies/Keller, Vinci/Bam Nuttall, London Underground and Buro Happold
M74 extension	Balfour Beatty, Morgan Sindall, Morrison Construction, Sir Robert McAlpine, Jacobs, Atkins and Glasgow City Council
Design and construction of the Toombul Jacked Box	Ove Arup & Partners, RD Geotech, Thies John Holland and Benaim

The Judges will have reserved seating near to the entrance and the Finalists have reserved seating in the front two rows.

When finished, the Judges retire to the Council Room for half an hour to discuss the projects and decide on the winner.

7.15pm Keynote speech 'Progress on the UK Register of Ground Engineering Professionals (RoGEP) and related future developments' by Neil Smith, Hon Sec of the BGA and Director of A.G.E.

7.45pm Judges return to the Telford Theatre, announce the Winning project and give out certificates to the Winning team.

7.55pm Drinks and nibbles in the Council Room for all. Winners' given their prize money (£1,000), Finalists given their certificates and photographs are taken.

10pm End
